

Advanced Business Writing Skills Course Outline

Duration: 1 Day

Course Overview and Objectives

This is a one-day workshop for those who already are good writers. Our time will be devoted to writing letters of recommendation, of persuasion, of refusal or of action, that reflect current word usage and up-to-date formats.

You can also become more skilled at writing business cases, proposals and reports, and learn a bit more about e-mail etiquette.

"How many of us, I wonder, when faced with pretentious gobbledygook and empty jargon, experience a kick start into despair mode?"
