### Course Overview and Objectives

Intrapreneurship is a concept whereby corporate organizations behave entrepreneurially to become more competitive, productive and profitable in the market place.

Intrapreneurship looks at transforming existing corporate organizations to become more **COST-EFFECTIVE, PRODUCTIVE and PROFITABLE**. It is aimed at making corporate organizations more competitive in the market place. It looks at **SUSTAINABLE BUSINESS SUCCESS** through the creation of something 'new,' be it, a new product or a new service, let alone a new operational system.
